Speaker

Audio cable

USB connector

⚠ This cable is not compatible for data connectivity with other devices. It is intended for use with this product only.

⚡ Warning:
This device contains an internal power supply. Please read the manual carefully before operating.

---

Charging

①. Micro USB connector
②. USB connector

(1) Connect the USB connector to the computer, and the micro USB connector to the speaker. While charging, the LED light in the front will turn RED.
(2) Charging takes up to 2 hours. When the speaker is charged, the LED light will turn BLUE.

⚠ This cable is not compatible for data connectivity with other devices. It is intended for use with this product only.

Operation

Bluetooth connection:
(1) Turn the speaker on. The speaker automatically enters pairing mode when it is not connected to a Bluetooth device. This is indicated by the LED flashing in alternate colors.
(2) Search for the Bluetooth Speaker on your portable device and select it to pair. With most devices, it is not necessary to enter a code. However, if prompted, enter 0000.
(3) Enjoy your music at home or on the go, have a conference call in the office, or use the speaker as a handsfree device.

To conserve battery, or to use the device with non-Bluetooth compatible devices, you can use the 3.5mm audio cable (included) to connect your audio streaming device directly to the speaker.

Specifications

Model: AX400

Dimension:	(L) 4.5in x (W) 2.4in x (H) 2.2in
Dimension:	(L) 115mm x (W) 62mm x (H) 56.2mm
Speaker:	(Φ) 40mm (1.6in) Input: L/R400Mv
Power Output:	4W x 2 S/N: ≥80Db
AMP Freq Range:	200Hz-162Hz
Charge Voltage:	5V± 0.5V
Suitable Temperature:	0~40
Battery Capacity:	800 mAh
Charging Time:	2-3 Hours
Bluetooth version:	V2.1
Bluetooth Effective Distance:	< 8m (26ft)
