Connected to charging cable	Charging in progress	Blinking
Connected to charging cable	Charging completed	Solid (all 4 LEDs)
Charging cable disconnected	Case is charging the phone	Blinking
Charging cable disconnected	Standby	OFF

Step 1

Register Your Product

Register your product and benefit from the 1-year warranty. It's quick and easy.

Most return policies only allow for a defective product to be returned within 14 – 30 days after the date of purchase... and most issues that happen due to defects in material and workmanship have a knack of happening after this return period has ended. We have seen the sad-puppy look on customers' faces for too long and understand how upsetting it is to spend your hard-earned dollars on something that stops working after a few weeks! That's why Alpatronix's Ironclad Warranty will protect you for a whole year against all defects in material and/or workmanship. So register your product by visiting www.alpatronix.com, and click on the "Warranty" on the top menu to register your product and activate your warranty. Rest easy that you are covered no matter what the return policy is where you purchased your product!

If you have a defective product and need us to take care of you, email us at support@alpatronix.com and rest assured that our support team will make this a quick and easy process with as little pain as possible.

Notice:

Alpatronix warranty is only valid when you purchase from authorized sellers, and only within the country in which you purchased the product. If you are not sure whether the retailer you are purchasing from is an authorized retailer, please contact us and we will be happy to further assist you. Alpatronix sells directly on Amazon.com, and on the Alpatronix.com website. Alpatronix warranty does not cover user damage. Tampering with your device or user damage also voids the manufacturer warranty.

Features

- Fully charge the iPhone 7 plus within 2 hours.
- Cut outs for all the iPhone features. Use your iPhone without removing it from the case. Charge and sync directly through the case.
- Strong & durable material protects your iPhone from bumps & scratching.
- Protective IC circuit efficiently avoids short-circuiting, over-charging, and malfunctions, even under extreme conditions.

Illustration

Installation

- Remove the top cover and slide the iPhone into the battery case.
- Install the top cover in the correct orientation and snap into place on all sides.
- Removing: Pull off the top cover, slide the iPhone out, then reinstall the top cover.

Note: When the battery case is turned on, you will notice the charging signal appear on your phone screen's battery indicator. When charging is finished, the signal will disappear. The battery case includes a USB charging cable. Only use the provided USB cable to charge and sync your battery case with a wall charger, or with a laptop/desktop. Avoid using aftermarket and non-standard cables as they can cause damage to the battery case, your iPhone, and/or cause overheating or fire.

Charging your Battery Case & iPhone

- Connect your battery case (iPhone already installed) to the USB power cable.
- Connect the USB power cable to any USB power source such as computer to start charging. The battery case is programmed to let your iPhone charge first, then the battery case will charge.
- Charge until the LED indicators indicate fully charged (all 4 LEDs are solid)

Charging your Battery Case and iPhone

- Press and hold the power button for about 3 seconds to turn on the battery case and start charging your iPhone.
- Press and hold the power button for 3 seconds again to deactivate the battery case and stop charging. This can significantly save more battery power to charge the iPhone next time.

- Extended Warranty Card
- Customer Service Information
- User Manual

Warning

- Read all instructions and warnings prior to using this product. Alpatronix is not responsible for improper use of this product. Improper use may result in product damage, excess heat, toxic fumes, fire, or explosion, which may cause you harm.
- Only use the included USB charging cable. Using aftermarket and non-standard cables can damage the BX180plus, your iPhone, cause overheating, and/or fire. If you have lost your cable or it's been damaged and you need a replacement, please contact Alpatronix.
- Do not store battery case in high temperature environments, including intense sunlight and/or heat.
- Always take used batteries to the nearest hazardous waste collection center in your area.
- Do not place battery case in fire or other excessively hot environments.
- Be cautious of excessive drops, bumps, abrasions, or other impacts to this battery case. Discontinue use if dents, tears, punctures, deformities, or corruptions are visible. Contact Alpatronix or dispose at the nearest hazardous waste collection facility.
- Do not disassemble this battery case, expose to moisture, or submerge it in liquid. Keep the battery dry at all times.

Warning

- Do not attempt to charge the battery using any method, apparatus, or connection other than the device's USB connector.
- Do not attempt to replace any part of this battery.
- If the battery case is intended to be used by a minor, purchasing adult agrees to provide detailed instructions and warnings to any minor prior to use. Failure to do so is the sole responsibility of the purchaser. Purchaser agrees to indemnify and hold harmless Alpatronix for any unintended use/misuse.
- All battery cases have gone through a thorough quality assurance inspection. If you find that your battery is excessively hot, emitting odors, deformed, abraded, cut, or is behaving abnormally, immediately stop use and contact Alpatronix at support@alpatronix.com or by phone at (888) 407 - 7515.
- For extended storage, first charge your battery case for at least 1 hour.
- Never dispose of battery case in the garbage. Disposal of batteries in the garbage is unlawful under state and federal laws and regulations. Always dispose of your batteries and battery-containing products at the nearest hazardous waste collection facility or a battery recycling center.
