## Double Your Manufacturer's Warranty!

Your product comes with a 1-year manufacturer's warranty. Within the first 2 weeks from the date of purchase, you can extend that warranty to 2 years by sending an email to [lifetime@alpatronix.com](mailto:lifetime@alpatronix.com). Don't worry, we will not scam you, nor will we sell your information to any third party.

Your email is the warranty application. You have 2 weeks to apply from the date the product is delivered by the carrier. Terms and conditions apply.

## Help us in our charitable endeavors:

Alpatronix donates \$1 to charity for every review you leave on Amazon.com. Help us make the world a better place AND help us and your fellow customers by giving us your valuable feedback.

Thank you for being a contributing citizen of this world

## Features

- This product contains a Smart IC that detects the optimum charging current for your smart device and provides sufficient power for the fastest, most efficient charging experience. (Note: iOS devices do not support Smart IC. iOS devices will charge at their normal maximum charging current).
- The CX100 features 4 USB ports, with a whopping total of 9.6A in charging output. That means each port can independently act as a rapid charger. Even with all 4 ports occupied, each port will support up to 2.4A charging current.

## Features

- A single port can provide up to 3A of charging power, if its adjacent port is not occupied. Ideal for charging bigger, more powerful devices such as tablets.
- Features a smart circuit which ensures protection from over-heating, over-current, and short circuit incidents.

## Assembling your CX100

## Adjusting Your Holder

Protecting your device is important to us. For this reason, the CX100 can be adjusted to fit your car perfectly, ensuring it is safely held in place.

### Notice

1. It is normal for the charger to get warm when charging. After your device's battery is fully charged, the charger will return to normal room temperature. If you experience excessive overheating, smoke, or any other such abnormal phenomenon, please discontinue use and contact Alpatronix Customer Service for support.

2. For optimum functionality, please use this charger within the temperatures of 0°C – 40°C (32 -104 F)

## Caution

1. Only use high-quality USB charging cables. Avoid using aftermarket cables that may be unsafe. Using sub-standard cables may cause overheating and fire.
2. Only charge devices that use USB chargers.
3. Incorrect use of this charger may cause the risk of electric shock, fire, or damage to your car or electronic devices.
4. This charger is only suitable for internal use in the car. Beware of exposure to rain and other moisture.
5. Do not puncture, take apart or disassemble the charger.
6. Do not use or store the charger in places with high heat or moisture.

## Important

It is your responsibility to check traffic and safety regulations in your area to ensure lawful use of this device.

## Operating Instructions

1. Insert the unit into the car cigarette lighter, put your device into the cradle, and lock in.
2. Power the CX100 to ON position.
3. Connect the standard USB end of your charging cable (not included) into the USB port and connect the charging end to your phone.
4. It is recommended to power the CX100 OFF when your phone is fully charged.

## Operating Instructions

5. It is normal for the CX100 and your device to get slightly warm when charging is in progress. When your device is done charging, the temperature will go back to normal. If you experience excessive heat or smoke, discontinue use immediately and contact Alpatronix Customer Service. Do not attempt to fix this device by yourself.

## Alpatronix Warranty and 100% Customer Satisfaction

If there is any problem with the operation of this device, please contact Alpatronix Customer Service so that we may further assist you. Alpatronix products are made with materials of the highest quality, without sacrificing our customers on price. Defects are rare, but do happen with electronic products. All Alpatronix brand products are backed by a 1- year limited warranty, as well as an optional extended warranty (registration required) against any defect in material or workmanship so that you are protected even when the return period for your purchase has ended. Alpatronix Customer Service may be reached at (888) 407-7515, or by email at [support@alpatronix.com](mailto:support@alpatronix.com)

Please remember that your product comes with a 1-year warranty. If there is any problem with your product, please do not hesitate to contact us.
