High Performance Zinc Alloy
Tangle-Resistant Earbuds

User's Manual

Thank you for purchasing the EX120
Ceramic High-Performance Earbuds!

The EX120 delivers an incredible audio range of both strong bass as well as high trebles. Offered in a variety of colors, it is the ultimate headphone for your smartphone. Equipped with a sensitive microphone and a one-touch controller, you can perform most of the audio functions of your smartphone directly from the earphones and without having to touch your device. The EX120 is universal and compatible with most smartphones, tablets, and computers.

Also included with your purchase are 3 sizes of ear gels for the ultimate fit and noise isolation. All of this comes with a 1-year warranty to ensure your experience with Alpatronix is a good one!

Please take a moment to read this manual thoroughly and keep it for future reference.

To activate the 1-year warranty on your earphones, visit:
<http://www.alpatronix.com>
and click on the warranty link to register your product by filling out a simple and easy form. Alpatronix warranty will fully cover your purchase against all defects in material and/or workmanship for an entire year. Most return policies only allow returns for a period of 14-30 days from the date of purchase, so hurry and register your product to give yourself peace of mind knowing Alpatronix has got you covered for a whole year!
