

ready to replace when needed. Visit www.alpatronix.com/products/virtual-reality for more information.

5. Always return to freezer or refrigerator promptly for faster reuse.
6. Caution: Do not place in microwave or heat in any other way. This product is not intended to be heated.
7. Individuals with problems in sensing cold should use extreme caution with this product.
8. Watch for frostbite. In case of any discomfort, discontinue use for a few minutes and allow the cushion temperature to rise before reapplying. Alternatively, you may place a paper towel between the cushion and your skin.
9. Do not lie on top of cushion or put excessive weight on it, as it could cause it to break. Check for leaks before use. Throw away if tears or leaking is detected.
10. For external use only.
11. Adult supervision is recommended when using on children.
12. This is not a medical or therapeutic device. Do not use this product as a therapeutic cold pack.
13. DO NOT OPEN THIS PACK. Check for tears or leaks before use. Throw away if leaking.
14. SUGGESTED FIRST AID: If contents contact skin or eyes, remove pack immediately. Thoroughly flush with water. If swallowed, do not induce vomiting. Call a doctor or poison control center immediately.

Help us in our charitable endeavors!

Alpatronix donates \$1 to charity for every review you leave for our products. We don't care if it's positive or negative, we just think every business needs to do some good in the world. Help us make the world a better place AND help us and your fellow customers by giving us your valuable feedback.

Thank you for being a contributing citizen of this world.

User Manual for VX100 Cooling Facial Interface for Meta Quest 2

Consumer Safety Notifications

When using electronic devices, basic safety precautions should be followed, including but not limited to the following. Understand that this product is designed to work with other devices, each of which have their own safety considerations. Keep all safety considerations in mind when operating this or any other device by itself, or in combination with one another. You are responsible to ensure using all devices within their safe operational parameters. By using this product, you consent to indemnify and hold harmless Alpatronix and all its agents regarding the use of this product.

1. Read all instructions before using.
2. Do not expose any electronic devices to water, moisture, steam, excessive sweat, or any other liquids.
3. This product is not intended for use by persons (including children) with reduced physical, sensory, or mental capabilities, or lack of experience and knowledge, unless they are closely supervised and instructed about use of the product by a person responsible for their safety. Close supervision is necessary when any electronic device is used by or near children. Children should be supervised to ensure that they do not play with this device in a harmful way.
4. For optimum performance, leave in place for no more than 20-30 minutes. Remove and return to freezer or refrigerator for at least 30 minutes before reusing. SUGGESTION: You may purchase additional cushions to keep in the freezer or refrigerator, so you always have one

Parts

Quick Setup Guide

1. Place your cushions in the freezer or refrigerator for about 30 minutes, or until the desired cool temperature is reached. You may purchase additional cushions, so you always have one handy when needed.
2. Remove the original facial interface from your Meta Quest 2 by pulling it off the VR goggles.
3. Install the VX100 frame on your Meta Quest 2 Virtual Reality goggles.

Note: If you wear eyeglasses, you may use the original eyeglass adapter that came with your Meta Quest 2 before installing the Frame. The Alpatronix frame works with eyeglass adapter of your Meta Quest 2.

4. Install a cold cushion on the frame.

Hint: To ensure maximum field of view, ensure that the cushion is installed clear of your field of view.

5. Each cushion can last up to 20-30 minutes, depending on the starting temperature. Once the cushion no longer provides cold comfort, simply replace it with another one from the freezer or refrigerator.

Warranty

To activate the 6-month warranty on your product, visit <https://www.alpatronix.com/warranty> and click on the warranty link. Alpatronix warranty will fully cover your purchase against all defects in material and workmanship for the entire 6-month period. Most return policies only allow returns for a period of 14 – 30 days from date of purchase, and most problems have a knack of happening AFTER that period ends. So, hurry and register your product to give yourself peace of mind knowing Alpatronix has got you covered for a whole 6-month period.
